

**E.3 Long Term O&M Procedures:**

The Village will review and revise measures to address this BMP in the SWMP. The SWMP includes procedures for inspecting detention basins and sample long term operation and maintenance plans.

*Measurable Goals: Review, revise and enforce SWMP in year 10*

**E.4 Pre-Construction Review of BMP Designs:**

In conjunction with BMP D.4, erosion and sediment control plans must be reviewed by the Village prior to permit issuance.

*Measurable Goals: Review, revise and enforce SWMP in year 10*

**E.5 Site Inspections During Construction:**

In conjunction with BMP D.6 The Village of Inverness will establish procedures for inspections during construction, and procedures for issuing warnings and assessing penalties to ensure compliance with the Village erosion and sediment control ordinance.

*Measurable Goals: Review, revise and enforce SWMP in year 10  
Enforce ordinances.*

**E.6 Post-Construction Inspections:**

The Village of Inverness will establish procedures for inspections after construction, and procedures for issuing warnings and assessing penalties to ensure compliance with the Village erosion and sediment control ordinance.

*Measurable Goals: Review, revise and enforce SWMP in year 10  
Enforce ordinances.*

**6. Pollution Prevention/Good Housekeeping**

**F.1 Employee Training Program:**

This minimum control measure involves the development and implementation of an operation and maintenance program to reduce the discharge of pollutants from municipal operations.

*Measurable Goals: Review, revise and enforce SWMP in year 10*
